Study today, Success tomorrow.

The mission of Diversity Skills Training is to be a leading academic institute in Australia by providing students with high quality education designed to meet their vocational goals in an efficient, professional, compliant and safe learning environment.

Future Skills WA is about investing in training that equips people to take up jobs that are, or will be, in high demand in Western Australia. To do this, Future Skills WA guarantees training will be subsidised in State priority courses for eligible students where a training place is available.

Students may also be eligible to access VET FEE-HELP for their student contribution fees. With VET FEE-HELP you can focus on achieving your study goals now.

The Diploma of Early Childhood Education & Care gives access to a good position in many childcare related services such as Authorised Supervisor, Children's Services Coordinator, Centre Manager, Director, Child Care Educator and more. It will provide you with an advanced understanding of many facets of childcare, early childhood education and development.

Overview

Studying this course will teach you how to foster the physical, emotional and social development of the children in your care. You will also learn how to promote language and communication development, plan adequately for the children’s daily needs and make sure that their play experiences encourage and facilitate their development.

You will also gain supervisor and management skills that will equip you to fulfill the following positions: Authorised Supervisor (children’s services), Children’s Services Coordinator, Centre Manager (children’s services), Director (children’s services), Child Care Educator and more.

To complete this course you will need to successfully complete 23 core units and 5 electives. As part of the course assessment, you will also need to arrange work placement for a total of at least 240 hours in a regulated education or childcare service centre.

Future Skills WA Program

Future Skills WA guarantees training will be subsidised in State priority courses for eligible students where a training place is available. By encouraging people to train in these vital areas, employers have access to the skilled workers they need today and in the future.

Future Skills WA also presents more opportunities for people to gain valuable skills and qualifications that secure jobs and build successful careers.

VET FEE-HELP

Diversity Skills Training now has VET FEE-HELP funding available to assist eligible students wanting to study Diploma qualifications.

Studying and accessing VET-FEE HELP allows you to gain Diploma qualifications with no up-front tuition fees. You can focus on achieving your study goals now, and pay later once you reach the minimum income threshold.
